

## IN MEMORY OF

## KATHERINE TAMMINEN

**1982 - 2026**

It is with profound sadness that we share the passing of Katherine Tamminen, PhD, MEd, RP.

Katherine was part of the PCSG community from 2019 onward, first as a practicum student and later as a valued psychotherapist and clinical leader within our High Performance and Sport Psychology Mental Health Services.

In her work with clients, Katherine brought a rare combination of warmth, steadiness, and insight. Katherine will be remembered not only for her expertise, but for the compassion and care she brought to every aspect of her work.

To honour Katherine's life and legacy, PCSG has made a donation to a scholarship established in her name at the University of Toronto, supporting emerging scholars whose work reflects the values of dedication, curiosity, and service that Katherine embodied throughout her career.
